

Listing of Claims:

Claim 1 (original) A steering wheel comprising a hub, a steering wheel rim and at least one spoke connecting said hub and said steering wheel rim, at least one of said steering wheel rim and said spoke having a skeleton and a sheathing surrounding said skeleton, said steering wheel further comprising at least one decorative element and at least one clamp element at which said decorative element is latched, said clamp element at least partly encompassing said sheathing.

Claim 2 (original) The steering wheel as claimed in claim 1, wherein said sheathing has at least one recess for accommodating said clamp element.

Claim 3 (presently amended) The steering wheel as claimed in claim 1, wherein said clamp element has a first latching element and said decorative element has a second latching element, ~~said first and second latching elements making a latching connection with each other~~ integrally formed with said decorative element, said first and second latching elements establishing a latching connection between said clamp element and said decorative element.

Claim 4 (original) The steering wheel as claimed in claim 1, wherein said clamp element has portions which are directly supported by said skeleton.

ATTORNEY DOCKET NO. TRW(ASG) 5737-1

Claims 5-7 (cancelled)

Claim 8 (original) The steering wheel as claimed in claim 1, wherein said clamp element is clipped to said sheathing.

Claim 9 (original) The steering wheel as claimed in claim 1, wherein said clamp does not protrude into said sheathing.

Claim 10 (original) The steering wheel as claimed in claim 1, wherein said sheathing is one of a foam casing and an injection-molded casing.
